BENEFITING

**Speak for Success Women's Leadership Institute
for Domestic Violence Survivors**

We give women the tools, support, and confidence to:

- Set and achieve personal and career goals
- Be inspiring role models for their families and women everywhere
- Stand up and speak out for the prevention of domestic abuse
- Become leaders in communities and organizations

Our long-term goal is to empower more women to overcome adversity and reach their potential in both the non-profit and for-profit sectors.
